Re: "No Objection" Letter pertaining to transfer of roadways

Dear Mr. Prescott:

During its February 14, 2006 meeting, the Board of County Commissioners authorized the execution of a "No Objection" letter for the FDOT to transfer certain roadway segments to the City of Tallahassee for the purpose of the Gaines Street Improvement Project. The roadway segments to be transferred are as follows:

- Gaines Street from Stadium Drive to Monroe Street consisting of four lanes and approximately 6,640 feet in length
- Pensacola Street from Chieftan Way to Monroe Street (which includes Jefferson Street between Duval and Monroe streets) consisting of two lanes and approximately 6,448 feet in length;
- St. Augustine Street from Stadium Drive to Railroad Avenue consisting of two lanes and approximately 3,563 feet in length;
- Madison Street from Railroad Avenue to Monroe Street consisting of three lanes and approximately 2,886 feet in length; and
- Woodward Avenue from Gaines Street to Park Avenue consisting of two lanes and approximately 1,514 feet in length.

Once these roadways are transferred, the City of Tallahassee will begin design and reconstruction of these roadways for the revitalization of the Gaines Street corridor.

Sincerely,

Bill Proctor, Chairman  
Leon County Board of County Commissioners
